Work Session of the Board of Education
September 9, 2019 at 6:00 PM

President John Price called the meeting to order at 6:05 PM. Mike Cowell was absent. Also present: BJ Buchmann, Nanci Sweet, Hayley Whitehead, Steve Mumblo, Phillip Donovan, Tabitha Fulton, Ben Coleman, Steve Gilmor and Steve Vetter.

MOTION: Mike Geesen made the motion to approve the Agenda with the addition of 5.1 FFA Complex. Wesley Thompson seconded the motion. Cox, aye; Geesen, aye; Price, aye; Thompson, aye. Motion carried.

Steve Mumblo went over the work that has been completed for this last month. He said that the last pay application is not seen on the budget part of the report. Steve Gilmor said that the rain that we had had showed where some leaks were in the roof. The roofers would be back to fix the issues ASAP. The locker room area and shop/VOAG area should be done at the end of the month. There was discussion about what would be watered using the well water. There was frustration when it was noted that only the football field would be watered with well water.

There was discussion on what the FFA Complex would look like. The board asked Tabitha Fulton who gave a description of what she wanted. The board has asked for something on paper like a drawing of where stuff would be and how it would look. Marty was called to make sure of the price of concrete and that was \$70,000. He said that he would unload the steel building when he was here. He answered questions about the work that he would do. He is thinking that a building permit needs to be obtained. No one seemed to be able to answer that so it will be researched.

Adjourned at 7:02 PM.
